                                  )  
Defendant.                    )

This matter is before the court on the defendant's Motion to Continue Trial (#14). The defendant has complied with NECrimR 12.1(a). For good cause shown,

**IT IS ORDERED** that the motion to continue trial (#14) is granted, as follows:

1. The jury trial now set for March 22, 2011 is continued to **April 26, 2011**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **March 22, 2011 and April 26, 2011**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account defense counsel's medical condition and the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).

**DATED** March 9, 2011.
